Dear Chair Medeiros,

We're disappointed at the decision not to give the union 5 minutes to address the Board of Trustees, as we were invited to speak about our progress during the June meeting. Although much work has been done, much is left to do.

On behalf of the BrCCC members, I would like to ask you to share my comments with the members of the Board. Further, I request that the Zoom link to the BOT meeting be shared with me so that I might forward it to my membership.

Thank you,
Emily Brown

Good afternoon Emily,

Thank you for contacting me regarding the next trustees meeting. As October is the first meeting of the new year and there is a busy agenda, I would like to invite you attend the November Board of Trustees meeting to report on the progress between the MCCC union and the Bristol Community College administration. The meeting will take place virtually, via Zoom, on **Monday, November 2, 2020, at 4:00 p.m.**

I read the Bristol Weekly article about the retreat that took place in August, and I was very pleased to learn about the approach that you and President Douglas have taken. The Board of Trustees looks forward to a conversation regarding the progress that has been made towards the goals of creating a supportive and respectful work environment at Bristol Community College.

Please advise when you have a chance.

Best regards,
Joan
